

CONTENTS

ABBREVIATIONS	1-1
EXECUTIVE SUMMARY	1-10
CHAPTER 1 INTRODUCTION	1-20
1.1 National Capital Region (NCR) and its constituents	
1.2 Counter Magnet Areas in the context of NCR Plan	
1.3 Present Study	
1.4 NCR Plan-2021	
1.5 Metro Centres and regional centres in NCR Plan 2021	
1.6 Regional Plan 2021 on the counter magnets of Regional Plan 2001	
1.7 World Urbanisation Scenario	
1.8 Case study - Seoul	
1.9 Demographic profile – NCR & NCTD	
1.10 Work Force - NCR	
1.11 Settlement Pattern – NCR	
1.12 Regional Linkages And Connectivity	
CHAPTER 2 MIGRATION STUDY OF DELHI & NCR	1-28
2.1 Population growth in NCR and its sub-regions	
2.2 NCT Delhi – In-migrants, out migrants & net migrants	
2.3 Component of migrants and natural increase – NCT Delhi	
2.4 In-migration to NCT-Delhi – State wise	
2.5 In-Migration to NCT Delhi and rest of NCR including inter district migration within rest of NCR	
2.6 In-migration to rest of NCR (excluding inter district migration)	
2.7 Study of top 20 districts for migration to NCTD	
2.8 Reasons of migration to NCT Delhi (1991-2001)	
2.9 Characteristics of migrant population to NCTD	
2.10 Workers classification of migrants to NCTD	
2.11 Marital status of the migrant population to NCTD	
2.12 Assessment of future migration to NCT Delhi & NCR	

CHAPTER 3 MIGRATION TO DELHI – PRIMARY SURVEY	1-18
3.1	Background
3.2	Objectives
3.3	Coverage
3.4	Methodology
3.5	Sampling & data
3.5.1	Quick Survey (Stage II)
3.5.2	In-depth Survey (Stage III)
3.6	Results and discussion on findings
3.7	Results and discussions on the findings of in-depth study
3.8	Summary & conclusions
CHAPTER 4 STUDY OF EXISTING COUNTER MAGNET AREAS	1-29
4.1	Counter magnet areas (CMA's) – Regional Plan 2001
4.1.1	<i>Assigned role of counter magnet areas in Regional Plan – 2001</i>
4.1.2	<i>Policy guidelines of Regional Plan – 2001</i>
4.1	Selection process for identifying Counter Magnet Areas
4.2	CMA development strategy
4.3	Proposals and recommendations for CMA's as in Regional Plan- 2021
4.4	Review of existing CMA's during the intervening period
4.5	Reconnaissance of existing CMA's: Hissar, Patiala, Gwalior, Bareilly & Kota
4.6	Financial assistance to CMA's by NCRPB
4.7	Migration pattern of five existing CMA's
CHAPTER 5 CMA'S SELECTION PROCESS AND IDENTIFICATION OF NEW CMA'S.....	1-30
5.1	Identification of possible contenders for Counter Magnet Areas
5.2	Migration to Rest of NCR Districts
5.3	Contender cities for proposed counter magnet areas
5.4	Criteria for selection of counter magnets – the sieving/scanning process
5.5	Stage I – Distance Criteria
5.6	Stage II – Population Criteria
5.7	Stage III – Connectivity and Nodality Criteria
5.8	Stage IV - Special Consideration for Addition
5.9	Stage V - Special consideration for deletion

- 5.10 Stage VI - Zone of influence study
- 5.11 Stage VII - Development index study
- 5.12 Inputs from the Workshop
- 5.13 Recommendation for Allahabad, Gorakhpur & Muzaffarpur – Special Package
- 5.14 Recommendation for Patiala, Gwalior and Kota

CHAPTER 6 PROPOSED CMA'S DEVELOPMENT STRATEGY 1-20

- 6.1 Introduction
- 6.2 Economic development
 - 6.2.1 *Investment environment and potential*
 - 6.2.2 *Economic parameters*
 - 6.2.3 *Identification of focus sectors*
 - 6.2.4 *Sector specific estimated investment plan*
 - 6.2.5 *CMA's Financing strategy*
 - 6.2.6 *Resource Mobilisation*
 - 6.2.7 *Methods to strengthen Economic Base. Possibility of locating SEZ and other economic Activity*
- 6.3 Urban Development Strategy

CHAPTER 7 STAKEHOLDER'S WORKSHOP 1-2

- 7.1 Workshop Objective and Proceedings
- 7.2 ATR to the Workshop Proceedings

ANNEXURE

- Annexure I Schedule-1: Quick Assessment*
- Annexure II Schedule-2: Survey Questionnaire for In-depth Migration survey*
- Annexure III Characteristics of Migrants*
- Annexure IV List of top 100 cities/districts sending major migration to Delhi (in descending order)*
- Annexure V List of top 119 districts sending migrants to Delhi & rest of NCR (in descending order of total migration to NCR)*
- Annexure VI District-wise migration to NCTD from six states according to Distance*
- Annexure VII All India Gradation list of Ministry of Finance*
- Annexure VIII District/City profile of Proposed CMA's*
- Annexure IX Cost of Urban Development for Urban Extension / New Town in proposed CMA's*
- Annexure X Proceeding of the Workshop*
- Annexure XI Proceeding of the Workshop and the NCRPB's Comments*

List of Tables

Table No Title

Chapter 1

- Table 1.1: Number of 10 million + Cities/Agglomerations in the world, more developed and less developed regions of the World
- Table 1.2: Fifteen largest urban agglomerations, ranked by population size during 1950 and 2000
- Table 1.3: Population trend of Korea, Seoul and Seoul Capital Region
- Table 1.4: Reason-wise percentage of total migration to Seoul
- Table 1.5: Sub-region wise Distribution of Population in NCR
- Table 1.6: Urban-Rural Components of Population in NCR (1981-2001)
- Table 1.7: Sub-region wise Population Density in NCR (2001)
- Table 1.8: Age-Group wise male female population in NCT-Delhi, 2001
- Table 1.9: Comparative Literacy rate of India, Delhi and other states in NCR in 2001
- Table 1.10: Workers Participation in NCR
- Table 1.11: Distribution of Workforce in NCT-Delhi (1991-2021)
- Table 1.12: Sub-region wise employment of NCR in 1991-2001
- Table 1.13: Urban Settlements in NCR (2001)
- Table 1.14: Population assigned and actual population achieved in NCR
- Table 1.15: Proposed Six-Tier Hierarchy of Settlements

Chapter 2

- Table 2.1: Population growth in NCR
- Table 2.2: Sub-region wise growth of population (1961-2001)
- Table 2.3: Population Growth and Migration to NCTD (1961-2001)
- Table 2.4: Migration pattern - NCT-Delhi
- Table 2.5: In-Migration trend to Delhi classified by place of last residence during 1971-2001
- Table 2.6: Distribution of In-migration to NCR including inter district migration - 1991-2001
- Table 2.7: Distribution of In-migration to rest of NCR excluding inter district migration - 1991-2001
- Table 2.8: In-migration from top 20 districts sending migration to NCT - Delhi by place of last residence (1991-2001)
- Table 2.9: Migration from Top 20 districts to NCTD

Table 2.10:	Top 20 districts and other Areas – Migration pattern
Table 2.11:	Reasons of Migration to Delhi for all duration of residence & duration 0-9 years
Table 2.12:	Reasons of migration to NCTD for all duration of residence
Table 2.13:	Reasons of Migration to NCTD for Rural & Urban migrants
Table 2.14:	Reasons of Migration to NCTD for Rural & Urban migrants beyond the state of enumeration
Table 2.15:	Gender Based Reason for Migration to NCTD for all duration of residence
Table 2.16:	Gender Based Reason for Migration to NCTD during 1991-2001
Table 2.17:	Reasons of migration to NCTD over different time beyond the State of enumeration
Table 2.18:	Contribution of Migration to NCTD from Different States for all duration of stay
Table 2.19:	Comparison of reasons of migration to NCTD for different states for all duration & 1991-2001
Table 2.20:	Reasons of Migration to NCTD from Different States in 1991-2001
Table 2.21:	Literacy rate of Migrant Population (1991-2001) as compared with Delhi and all India
Table 2.22:	Literacy rate of Migrants as compared with Delhi - Rural & Urban (1991-2001)
Table 2.23:	Literacy rate of Migrants as compared with Delhi - Rural & Urban (1991-2001)
Table 2.24:	Education Level of literate migrants to NCTD from rural and urban areas
Table 2.25:	Migrants classified as workers and non-workers
Table 2.26:	Classification of workers among the migrants compared with NCT-Delhi
Table 2.27:	Workers participation rate of migrants and NCT-Delhi
Table 2.28:	Classification of migrant workers as compared with Delhi - urban and rural
Table 2.29:	Migrants classified by age group (1991-2001)
Table 2.30:	Migrant main and marginal workers classified by age group for all duration of stay in Delhi
Table 2.31:	Marital Status of the Migrant Population
Table 2.32:	Population growth characteristics in NCTD (1961 – 2001)
Table 2.33:	Population Characteristics in other NCR sub regions 1961 – 2001
Table 2.34:	Indicators showing Natural Growth rate of Population in NCTD
Table 3.35	NCTD Population – Natural increase and Net migration
Table 2.36	Migrant Estimates in NCTD
Table 2.37:	Indicators showing Natural Growth rate of Population in Haryana Sub region

Chapter 3

Table 3.2:	Sampling of the Unauthorised Colony
Table 3.3:	Sampling of the In- Depth Survey
Table 3.4:	Sampling of the In- Depth Survey in Unauthorised Colony
Table 3.5:	Sampling of the In- Depth Survey among Other Population
Table 3.6:	Distribution of Migrants by Some Background Characteristics
Table 3.7:	Migrant Population's Residence/Staying Arrangements in Delhi
Table 3.8:	Distribution of Migrants by occupation and income
Table 3.9:	Distribution of Migrants by Some Migration Particulars
Table 3.10:	Distribution of Migrants by Migration Process
Table 3.11:	Distribution of Migrants by Social Connectivity to the Native Place
Table 3.12:	Reasons of Migrants for Coming to Delhi and Reasons for Selecting Delhi
Table 3.13:	Distribution of Purpose of savings
Table 3.14:	Distribution of possible return migrants

Chapter 4

Table 4.1:	Comparative table of counter magnets to Delhi and NCR
Table 4.2:	Population 1971-2001
Table 4.3:	Land use breakup of area earmarked for residential development
Table 4.4:	Status of NCRPB funded projects in CMAs (completed & on-going)
Table 4.5:	Details of NCRPB funded projects in five CMA's
Table 4.6:	Out-migration from Hissar to 6 states and Delhi
Table 4.7:	In-migration to Hissar from six states
Table 4.8:	Out-migration from Patiala to 6 states and Delhi
Table 4.9:	In-migration to Patiala from 6 states and Delhi
Table 4.10:	Out-migration from Bareilly to 6 states and Delhi
Table 4.11:	In-migration to Bareilly from 6 states
Table 4.12:	Out-migration from Kota to 6 states and Delhi
Table 4.13:	In-migration to Kota from 6 states
Table 4.14:	Out-migration from Gwalior to 6 states and Delhi
Table 4.15:	Out-migration to Gwalior from 6 states

Chapter 5

Table 5.1:	State wise list of top 100 districts sending maximum migrants to NCTD (74% of total migrants)
Table 5.2:	Top 100 districts sending major migration to rest of NCR districts (in descending order)
Table 5.3:	Migration pattern to Delhi & Rest of NCR Districts
Table 5.4:	List of top 119 districts including 81 common districts sending major migrants to NCTD and rest of NCR
Table 5.5:	Migration pattern for Delhi & rest of NCR districts
Table 5.6:	List of contender cities in descending order of migration to NCTD

Table 5.7:	State wise no of districts among top 100 districts sending migrants to Delhi
Table 5.8:	Districts adjoining to the National Capital Region
Table 5.9:	List of cities/towns for deletion (i) within NCR, (ii) adjoining periphery cities/towns (iii) cities located beyond 1200 km radius and (iv) cities scattered in states other than six identified states
Table 5.10:	List of 60 cities selected/recommended for next stage scanning
Table 5.11:	No of cities/towns grouped on the basis of population size
Table 5.12:	List of cities/towns grouped on the basis of population size
Table 5.13:	List of cities/towns qualify at Stage II scanning – Population criteria
Table 5.14:	List of 8 cities not located on specific corridor i.e. Golden Quadrangle or EW corridor or NS corridor
Table 5.15:	List of cities located on the given corridors recommended for further scanning
Table 5.16:	Five existing CMA's against the selection criteria
Table 5.17:	Comparison of five cities/towns recommended by concerned State Govt.
Table 5.18:	List of cities short listed/qualified for further considerations
Table 5.19:	List of cities deleted due to special consideration
Table 5.20:	List of selected cities
Table 5.21:	List of cities deleted due to migration less than one lakh from influence zone
Table 5.22:	State wise list of cities/towns selected for further consideration
Table 5.23:	Migration to Delhi & rest of NCR from influence zone of 15 contender cities
Table 5.24:	Migration tackled by shortlisted cities/towns in descending order
Table 5.25:	Type of Parameters for Development Index
Table 5.26:	Development Index for ten selected CMA's
Table 5.27:	Grouping of cities/towns qualifying selection criteria
Table 5.28:	No of cities/towns from top 100 migrating districts and other cities

Chapter 6

Table 6.1:	Foreign Direct Investments in India
Table 6.2:	Industrial Division-Wise Status of Industries in Bareilly District
Table 6.3:	Some of the prominent large and medium scale industrial units in Bareilly District
Table 6.4:	Large and Medium Industries In Dehradun district, 2005
Table 6.5:	Distribution of Industries in Firozabad district
Table 6.6:	Distribution of Industries in Hissar district
Table 6.7:	Finished products/items exported from Hissar
Table 6.8:	Economic statistics of Kanpur's economy (1998-2002)
Table 6.9:	Distribution of Industries in Kanpur Nagar area, 2006
Table 6.10:	Economic parameters for Proposed CMA's

Table 6.11:	Identification of focus sectors for selected CMA's
Table 6.12:	Sector specific estimated investment plan for selected CMA's
Table 6.13:	List of notified SEZ's in NCR
Table 6.14:	Additional population and area requirement in proposed CMA's during 2007-2027
Table 6.15:	CMA's loan requirement for urban development
